"WE BUILD & DELIVER"

OK Productions LLC is a New York-based company owned and managed by Ornella Fado since 2004.

OK Productions LLC with TV show s such as Brindiamo!, Brindiamo! On The Sea, Brindiamo! Special edition Italy, Brindiamo! Special edition Canada, Special edition Bermuda, Brindiamo! International cuisine and Brindiamo! in my Kitchen, is providing viewers with contents that celebrate the Italian culture and lifestyle in the world.

The newest accomplishment of OK Productions LLC is the Brindiamo! Guide. This guide will allow users to search and learn about authentic Italian venues, such as restaurants, pizzerias, gelaterias, pasticcerias, catering and specialty food stores. Users also have the opportunity to share their restaurant experience by writing a review on the website and view ratings, reviews and comments from other users, they can watch videos and read blogs.

The latest accomplishment is the TV series of Brindiamo! on AMAZON Prime in 69 countries around the world.

What set apart OK Productions PR from any other PR Firm is our capability to deliver everything we promise!

OK Productions LLC is also the author of fundraising such as "AMO AMATRICIANA" & "AMO HOUSTON" and the creator of the Brindiamo! Restaurants Week, the Brindiamo! Guide, and the Brindiamo! Club card and the Brindiamo! Gift card.

Everyone is enchanted by the Italian lifestyle, from fine Italian food, luxury cars such as Ferrari and Fiat to the high-end fashion brands such as Versace and Armani.

OK Productions LLC capitalize on this interest by showcasing the more exquisite facets of the Italian lifestyle, with creative events, cooking show, and wine tasting, but with a focus on American communities.

Promote your brand and become a donor!

OK Productions creates segments designed for each restaurant and Italian brands to accurately promote, build reputation and broadcast through many outlets such as the Brindiamo! Guide (the only digital guide about fine Italian eateries around del the world and the latest upcoming Amazon Prime Video)
